April 26th, 2021

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Royal Lakes Road Rehabilitation Project in surface transportation reauthorization legislation.

The project sponsor for this project is Village of Royal Lakes and the project is located along seven different local streets in Royal Lakes, IL 62685. The funding is designated for the grading and oil and chip sealing of the following sections of road:

- Julian Avenue from Route 16 to Sycamore Avenue
- Poplar Avenue from Route 16 to Locust Avenue
- Sycamore Avenue from Hackberry Court eastward to end of road
- Laurel Avenue from Julian Avenue to Mulberry Avenue
- Mulberry Avenue from Route 159 to Laurel Avenue
- Aspen Drive from Route 16 to Laurel Avenue
- Dogwood Drive from Route 16 to Magnolia Drive

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits. This project will provide safe roadways for a small, rural, diverse community that has very limited revenue sources.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rodney Davis
Member of Congress
