The Honorable Chair Rosa DeLauro
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Dearborn Industrial Green Beltway, City of Dearborn, Wayne County, Michigan, 12th Congressional District project in fiscal year 2024. The entity to receive funding for this project is the City of Dearborn located at 16901 Michigan Avenue Dearborn MI 48126. The funding would be used for the acquisition of land between Wyoming and Southern Streets to create a greenbelt, natural buffer between industrial and residential neighborhoods of the city.

The project is an appropriate use of taxpayer funds because the project will help to provide mitigation for noise, air, water, and soil pollution by use of native plants and trees for the protection of our district's public health and economic growth for the community. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rashida Tlaib
Member of Congress
