The Honorable Chair Rosa DeLauro  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Dearborn Heights Fire Station Replacement, City of Dearborn Heights, Wayne County, Michigan, 12th Congressional District project in fiscal year 2024. The entity to receive funding for this project is the City of Dearborn Heights located at 6045 Fenton Street Dearborn Heights, MI 48127. The funding would be used for the acquisition and design of a new fire station to provide a safe and secure work environment for firefighters in Dearborn Heights.

The project is an appropriate use of taxpayer funds because it helps to improve the efficiency, safety and security of Dearborn Heights local firefighters, while generating additional capacity to provide emergency services for our community. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and/or 42 U.S.C. 5305(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rashida Tlaib  
Member of Congress
