The Honorable Chair Rosa DeLauro
Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Lathrup Village Water Main Infrastructure Project in fiscal year 2024. The entity to receive funding for this project is Lathrup Village, Michigan located at 27400 Southfield Road, Lathrup Village, MI 48076. The funding would be used to expedite improvements to replace water mains that help to improve water flow and reliability throughout the village for emergency services and replace water mains that.

The project is an appropriate use of taxpayer funds because it will increase water reliability, water flows, and provide safe drinking water to the residents of Lathrup Village located in the 12th District.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rashida Tlaib
Member of Congress
