The Honorable Chair Rosa DeLauro
Committee on Appropriations
U.S. House of Representatives

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Multi-City Lead Service Line Removal Project, Wayne, County, Michigan 12th Congressional District in fiscal year 2024. The entity to receive funding for this project is the County of Wayne, Michigan located at 500 Griswold Detroit, MI 48226. The funding would be used for the removal of lead service line pipes in 3 communities across Wayne County.

The project is an appropriate use of taxpayer funds because it prioritizes the public health of vulnerable communities in Wayne County by providing funding to support the identification and removal of harmful lead service line pipes, reducing lead exposure risks in our drinking water in the 12th Congressional District. The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) or 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rashida Tlaib
Member of Congress
