The Honorable Chair Rosa DeLauro  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Detroit Lead Service Line Replacement Project in fiscal year 2024. The entity to receive funding for this project is the U.S. Army Corps of Engineers. The funding would be used for the replacement of lead service line pipes in the City of Detroit.

The project is an appropriate use of taxpayer funds because it eliminates lead risk from drinking water for vulnerable and environmentally distressed communities across the City of Detroit and within the 12<sup>th</sup> Congressional District.

The project has a federal nexus because the funding provided is for purposes authorized by section 219 of the Water Resources Development Act (Public Law 117-263).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rashida Tlaib  
Member of Congress
