The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Redford Township for Lead Service Line Replacement Project – Phase V in Fiscal Year 2027. The entity to receive funding for this project is Redford Township, located at 15145 Beech Daly Road, Redford Charter Township, MI 48239.

The funding would be used for monitoring, education, and replacement of lead service lines to ensure safe drinking water as part of Phase V. The project is an appropriate use of taxpayer funds because removal of lead will enhance property values and lower healthcare costs over the long term. This project will also support job creation through infrastructure projects and ensures a commitment to improving quality of life, promoting public health, and building community well-being and economic development in Southeast Michigan.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rashida Tlaib  
Member of Congress
